

THE SYDNEY COLLECTABLES FAIR & EXHIBITION 2024

Australian National Show
Friday 16th - Sunday 18th August
Hawkesbury Showground
Racecourse Road, Clarendon NSW

The National has returned to Sydney! We are excited to invite you back again for an event that must not be missed in your collecting calendar.

We are pleased to announce that we have a new and updated location for the Sydney show - **Hawkesbury Showground**, situated in Sydney's North-West. The venue is easily accessible via the M7 Freeway, outside the hustle and bustle of Sydney and nearby to the **historic Windsor District**.

Friday setup from 12:00pm and closes at 6:00pm, to give you enough time to view the Friday Lancaster Auction which will start at 7:00pm.

We look forward to seeing you there!

"The format of the Fair is a unique combination of a Historical Exhibition and Collectables Fair. The Exhibition contains over 100 different categories of collectables from private collections, providing a unique opportunity to view and buy rare and unique items from Australia's history"
